

# **Where should reports be sent when the PFI investigation has concluded there is no evidence of a breach?**

PCI SSC FAQ | Article 1460 | November 2018

---

Where the entity under investigation is a merchant, all completed work products (e.g. Preliminary and Final reports) must be distributed to all participating payment brands accepted by the merchant. Where the entity under investigation is a service provider, all completed work products must be distributed to all participating payment brands whose products the service provider handles.

Please contact the PFI Program Manager at [PFI@pcisecuritystandards.org](mailto:PFI@pcisecuritystandards.org) for further information.
